IT IS AGREED AS FOLLOWS

§ 1 Definitions

1. In this License, the following terms shall have the following meanings:

(...)

b. Authorized Users: Individuals who are authorized by the Institution to access the Institution's information services whether on-site or off-site via Secure Authentication and who are affiliated to the Institution as a current student (including but not limited to undergraduates, postgraduates and guest students), member of staff (whether on a permanent or temporary basis including retired members of staff and any teacher who teaches Authorized Users) or contractor or registered user of the Institution. Persons who are currently a student, member of staff, contractor or registered user of the Institution but who are permitted to access the Institution's information services from computer terminals or otherwise within the physical premises of the Institution ["Walk-In Users"] are also deemed to be Authorized Users, only for the time they are within the physical premises of the Institution.

(...)

c. Commercial Use: The use of the Licensed Material for the purpose of monetary reward (whether by or for the Institution or an Authorised User) by means of sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Material. For the avoidance of doubt, the use by the Institution or Authorised Users of the Licensed Material in the course of research funded by a commercial organisation is not deemed to constitute Commercial Use. Recovery of costs is not being deemed Commercial Use. The use of Metadata by search engines within Licensee does not constitute Commercial Use as long as that Metadata is not sold, lent, distributed or otherwise re-licensed via that search engine or the access to that Metadata on that search engine is exclusively being charged for.

d. Educational Purposes: The use for the purpose of education, teaching, distance learning, private study and/or research.

(...)

f. Intellectual Property Rights: Patents, trademarks, trade names, design rights, copyright (including rights in computer software and moral rights), database rights, rights in knowhow and other intellectual property rights, in each case whether registered or unregistered and including applications for the grant of any of the foregoing and all rights or forms of protection having equivalent or similar effect to any of the foregoing which may subsist anywhere in the world.
