The MPG Resource Navigator

MPG.ReNa

Find the database you need

You are looking for scientific information and appropriate resources? The MPG Resource Navigator (MPG.ReNa) helps you to find the right database for your retrieval. MPG.ReNa lists and describes journal collections, e-Book collections, and databases exclusively licensed for MPG scientists. Access MPG.ReNa to get an overview and navigate through the entire MPG collection as well as your own institute's resources.
